SVAM Education Outreach Programme

Over the last five years we have added Workshops in schools and Master Classes to our regular activities, taking advantage of the expertise of our visiting musicians. For this season we have received a major grant from a Charitable Trust which wishes to remain anonymous. The grant is intended to benefit children of 16 and under so we are looking at working mainly with primary schools. We are organising a series of recorder workshops with Piers Adams jointly with Essex and Suffolk schools, and inviting children and their families to come to the special concert by Red Priest. The grant will also fund piano hire for a special children's concert on 1 November, offering a platform for young advanced musicians from our local area. In addition, the Antara Duo will give a flute and harp workshop at Dedham Primary School on 11 January.

Donations, which are gratefully received from our members, will be spent on similar projects in future years.

SVAM is grateful to all the sponsors of the concerts this season

Donations

Donations received from our supporters will go towards enhancing our concert programme or towards education projects.

For donations from individual tax payers, we are able to reclaim gift aid. Please use this form (both sides) if you are able to make a contribution.
